Other connections offered for KaVo, Sirona, W&H, Bien Air.

## Going green changes lives

NSK's Going Green campaign collects, refurbishes and repairs used and non-performing handpieces and equipment which are destined for landfill. The handpieces have so far been distributed to areas including charities like "Smiles for the Pacific" which support various Polynesian Island dental hospitals.

Photo: NSK Oceania Managing Director Phil Fitzgibbon (third right) unites with members of the Solomon Island Oral Health Clinic as part of the Smiles for the Pacific program – one of NSK's initiatives to promote access to dentistry.

## Recyclable Packaging

NSK has switched to a recyclable product outer packaging!

In accordance with our global environmental initiatives, starting with our handpieces, we have changed to a new packaging box made entirely of recyclable paper.

A new important step forwards to reduce the amount of plastic waste in dental offices!
